The campaign war workers among colored people are called to meet in a mass meeting this Sunday at 3 p. m. in Mt. Olive Baptist church on Alvarado street, near the corner of Belmont and LaRue streets.

All captains of teams are expected to attend this meeting for the purpose of being instructed in their duty for the Big Drive that shall be launched on Monday, November 11th. KAISER SEEMS TO BE MOVING TO REPUBLIC

(N. E. A. Special.) Berne, Nov. 9.—Lake Zug, whence the royal family of Germany is sending its personal effects in anticipation of the day when it must retire from power is a small canton of Switzerland between Zurich, Schwyz, Lucerne and Aargau. The town of Zug was at one time the property of the Hapsburgs, but was annexed by the Swiss Confederation in 1525. It is a most democratic government under which the emperor of Germany will come if when deposed he makes his home here, for Zug has an elected legislature, proportional representation and the initiative and referendum. "Buonas" the chateau to which the effects of the Hohenzollerns is being sent, is the property of Baron von Kleist, a German.

CONVICT LABOR SOUGHT TO AID CO. ROAD WORK

An effort is to be made to secure state convicts to aid in the construction of the road which the county is building to the government reservation. Although practically all the excavating has been done which will be required on the road, the progress has been slow because of inability to get the requisite number of men. Hence the effort to get convicts. The commissioners met this morn-

ing and allowed the weekly payroll for the road work. The project of lowering the grades on the road approaching the rolling lift bridge was discussed and a conference will be held with the contractors to see what arrangements can be made to carry out the project.

Her Complexion Made Marvelously Beautiful In a Single Night Fere Oatmeal Prescription Did It

NEW YORK—Mae Edna Wilder says: "Had anyone told me such wonderful results could be accomplished so quickly I positively would not have believed it."

My face, neck, hands and arms were covered with freckles, besides many unsightly wrinkles, my neck was dark, skin rough, and my complexion sallow and muddy, my hands were tanned and the knuckles red. All these defects were removed and one single application proves it. The prescription is just as simple as it is effective. Go to any grocery store and get 10 cents worth of oatmeal and from any drug store a bottle of derwillo. Put a little of the oatmeal in a small bag made of cheese-cloth, then drop on or into the bag 10 to 20 drops of derwillo, then dip in warm water and use as

you would a wash cloth. It makes the skin soft and beautiful and brings out the natural tint every girl and woman craves. One application will astonish you and convince you that you should never be without it. It's good for pimples, too. I have given this prescription to thousands and they are all just as enthusiastic as I am. Try it and you will be agreeably surprised."

NOTE—When asked about the derwillo-oatmeal combination one of our leading druggists said: "It is truly a wonderful beautifier, away ahead of anything we have ever sold. We are authorized by the manufacturers to refund the money to anyone who is dissatisfied, and we would not permit the use of our name unless the product possessed unusual merit." It is sold in this city under a money-back guarantee by department stores and all first class druggists, including Crystal Pharmacy—adv.
